MEMORANDUM FOR: Assistant Director, Central Reference

SUBJECT: Latin American Trip of [REDACTED] 25X1A9a
25X1A9a [REDACTED] 27 February--16 April 1960

1. Attached herewith is our report on our Latin American trip.
2. Section 3 of the report, Availability And Sources Of Publications In Latin America (pp. 11-12), and Tab A, which is a detailed breakdown of the most useful bookstores which we visited in the area, have been left unclassified, so that they may receive wider distribution within PROCIB and other interested agencies.
3. Page 15a in the section on Procurement of Chinese Communist Publications deals with their clandestine procurement. This page is being given only limited distribution; it is not included in the copies of this report which are given more general distribution.
4. Tab B of this report sets forth our general evaluation of the performance of each of the Publications Officers in the countries we visited. It also is being given only limited distribution and is not included in the general distribution of this report.
